

JOURNEY THROUGH THE BIBLE

1

As David sat thinking about all the ways God had blessed him, he wanted to build a temple for God's glory. Through Nathan the prophet, God communicated to David that this wasn't His plan for David, but that a future son would accomplish this. David talked with God about this as he would to a friend. When you have plans, ideas, or even concerns don't forget to involve God. You too can talk to God just as David did, and you can be sure God will direct you.

THINK ABOUT THIS:

Things might have been different had David followed the advice of Proverbs 13:24. Remember to obey God and your parents.
