

# JOURNEY Through the BIBLE

**G**od chose Moses to lead His people out of Egypt. This was no small task! Rescued from his basket boat, visited by God through a burning bush, and taught patience through 40 years of shepherding—step by step, Moses was learning to fully rely on God.

In this *Journey Through the Bible*, there's going to be a little turbulence for the people of God, but not as much as Pharaoh and the Egyptians are going to experience. Get ready for an exciting Journey as God's people prepare to be set free.

### Think about this ...

A swarm of locusts can be made up of billions of hungry insects and cover up to 400 square miles! In September 2017, Russia experienced a plague of locusts, and farmers said the locusts "devoured everything in sight."
