David was the king of Israel for forty years. Before he died he encouraged Solomon to keep the charge of the Lord, to walk in His ways, to keep His statutes, His commandments, judgments, and testimonies so that he would prosper in all that he did (1 Kings 2:3).

God granted Solomon great wisdom. Solomon is said to have been the wisest man who ever lived!

Four hundred and eighty years after the children of Israel left Egypt, Solomon began his heaven-appointed work of building a permanent temple for the Lord—a place for the Lord to dwell among His people.

Today, God wants to dwell in your heart. I hope that you will spend quality time with Him every day, getting to know Him better and better and inviting Him to live in your heart.

THINK ABOUT THIS:

Cedar wood is durable, sound resistant, and repels insects. Is there any wonder why Solomon used it for his temple? See 1 Kings 6:18.
