

JOURNEY THROUGH THE BIBLE

1

I hope you are ready for an exciting adventure! As you read your Bible this month, you are going to learn about fire that burned up water and stone, a man who was taken to heaven in a horse-drawn chariot of fire, an axe head that floated, and much more!

God is the same yesterday, today, and forever (Hebrews 13:8). The same God who helped His people in Old Testament time is the same God who helps His people today. As you read your Bible every day, your faith in Him will grow. Then, just like Captain Naaman's little maid, you can share the life-saving gospel with others.

THINK ABOUT THIS:

Captain Naaman had leprosy, a highly contagious disease. Leprosy today is referred to as Hansen's Disease and can be easily treated with antibiotics. Armadillos are the only animal besides humans that can get leprosy.
