

JOURNEY THROUGH THE BIBLE

1

Hezekiah is now king of Judah and calls God's people to repentance. Hezekiah was a faithful king and prayed that God's wayward people would be forgiven (2 Chronicles 30:18–20). When King Hezekiah got sick and was about to die, God intervened through the prophet Isaiah and a 'lump of figs'! God gave King Hezekiah 15 more years of life! As a sign the king would not die, God caused the sun to go backward in the sky 10 degrees. God will go to any length to show His people He loves them! King Hezekiah's call to repentance extends down to us. Will you give Jesus your heart and choose to trust and follow Him every day?

OLD TESTAMENT, YEAR 2

MAKE YOUR OWN SUNDIAL

King Hezekiah was so sick, he was going to die, but God sent a message through the prophet Isaiah that he would get well and live 15 more years! As a sign of this promise to King Hezekiah, God made the sun travel backwards in the sky!

Before there were clocks or watches, people used sundials to tell the time of day. Here is a fun activity for you to make your very own sundial.

These are the materials you will need:

1. A stick
2. Stones or chalk
3. Ball of clay or playdough
4. Watch or clock
5. Sunny spot in the yard, deck, or sidewalk

Here is what you will need to do:

1. Find a spot where the sun shines for most of the day
2. Secure the stick in the ground or clay
3. On the hour every hour, mark the shadow of the stick with a rock or chalk

Keep in mind that it may take you a few days to complete your sundial. Once you have your sundial measured out, have fun checking the time by the sun and not your watch.

When you have your sundial complete, I would love to see it! Send your photo to msmelissa@myplacewithjesus.com

Jesus said in John 8:12, "I am the light of the world. He who follows me shall not walk in darkness, but have the light of life." Let Jesus be your light every day and follow closely where He leads.
