

JOURNEY THROUGH THE BIBLE

1

Joash was only a year old when his aunt hid him in the temple to save him from his wicked grandmother, Athaliah. When he was seven years old, Joash was crowned king!

The temple built by Solomon had fallen into disrepair, but King Joash made it beautiful again. He set up a large chest outside the temple and encouraged people to give generously so the temple could be renovated. Over and over the chest was emptied of the offerings people gave, until sufficient funds were collected and the temple was restored.

Joash was a young boy when he did this wonderful work for God! As you read your Bible this month, talk with God about what you can do for Him.

THINK ABOUT THIS:

Some experts say that it could cost up to 8 billion dollars and take up to 15 years to renovate the Notre Dame Cathedral.
