

# IN THE BEGINNING

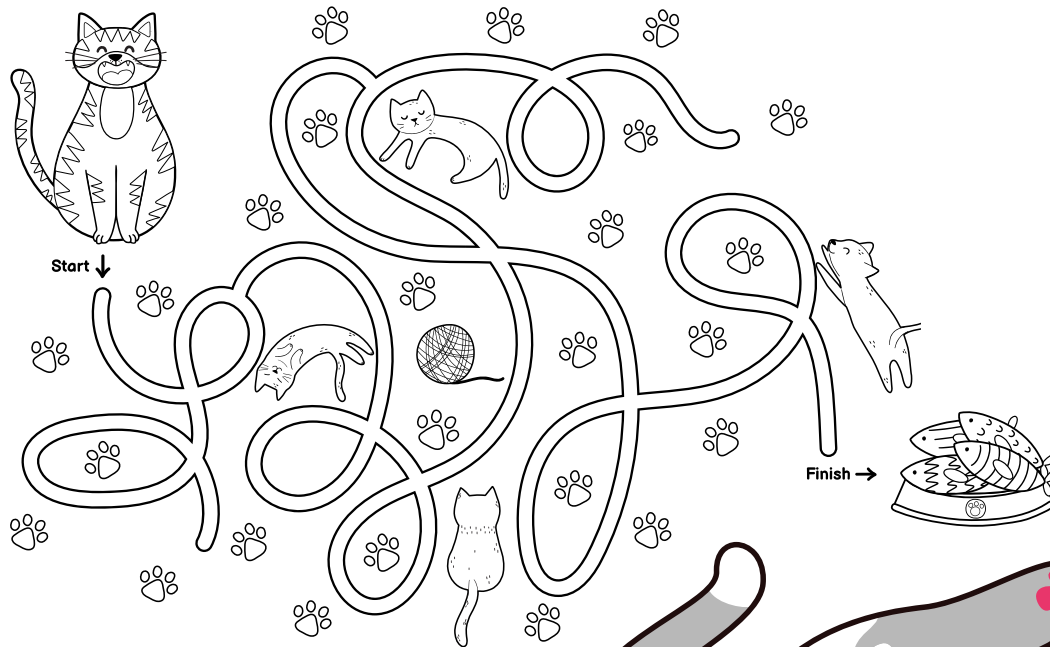

GOD IS A GREAT CREATOR! GENESIS 1:1

It seems to me that almost everyone loves cute baby animals. They have a way of stealing your heart, don't they? Soft, fluffy kittens with their cute noses and tiny little ears, puppies with their floppy ears and oversized feet, and woolly baby lambs so pretty and playful. So why is it that little animals are so beautiful?

The Bible says in Genesis 1:1, "In the beginning, God created the heavens and the earth." Now, some people might think kittens, puppies, lambs, and other baby animals are simply accidents of nature, but I would beg to disagree. The beauty we see in this world is evidence that God is a great Creator, who loves to make the very things He knows will bring us joy.

The same creative power God uses to make things of beauty is available to you to recreate your heart! Sin has caused so much damage in our world, but God is able to recreate every boy and girl. God not only forgives us of our sins but recreates our hearts to reflect Jesus to those around us. This is why David prayed, "Create in me a clean heart, O God; and renew a right spirit within me" (Psalm 51:10).

Invite God every day to do His work of recreation in your life!
