

JOURNEY THROUGH THE BIBLE

1

The very first verse in the Bible tells us how the world came into existence. "In the beginning, God created" (Genesis 1:1). God's creative power can be seen throughout the Bible, from Genesis to Revelation. With that same creative power Jesus can also give us new thoughts, actions, and a new heart. Let's be ready for that soon day when Jesus comes back to take us to a new earth to live with Him for eternity.

THINK ABOUT THIS:

Birds such as chickadees, which store food for the winter, need to remember where they put their provisions. Studies show that the memory part of their brain expands in the winter. What an awesome Creator!
