

JOURNEY THROUGH THE BIBLE

1

There are times when you encounter people who seem to want to make life difficult for you. It might be a brother or sister, or someone at school. So, how should we deal with difficult people? How should we react when someone acts in an un-Christlike way?

The Psalms were written mostly by King David, who was often opposed by those who didn't like him. As you read through the Psalms this month, search for valuable insights that will help you in challenging situations.
